

Annual CCPS Conference

CCPS would like to thank the following speakers of the 2008 CCPS February Conference: Alan Blair, PLS; Dave Pehr, Esq.; Jan Van Sickle, PLS; Gaby Neunzert, PLS; JB Guyton, PLS; Edgar Bristow, PLS; Ron Scherler; Randy Bloom, PLS; Roger Nelson, PLS; Randy Zanon, PLS; Tom Adams, PLS; and Michael McInnis. A strong attendance this year indicates that we have the correct blend of speakers and topics.

A round of a applause goes out to JJ Rihaneck, PLS who arranged all the delicious food from Biscuits and Berries. As usual the Metro Students lucked out at the end, and ended up eating all remaining perishable foods. For a twist this year, all non-perishable food was donated to the Denver Rescue Mission.

Thanks to our Sustaining Members: Accurate Core Drilling, AGA Geodimeter, AJ Ventures, Assurance Rick Managers, Colorado Department of Transportation, Commtech/ CT Civil, Frontier Precision, Hixon MFG & Supply, National Geodetic Survey, Underground Consulting Solutions and Vectors Inc., who had booths at this years conference.

A special thanks to the following organizations who donated gifts for this years raffle: Bureau of Land Management (Books), Colorado Spatial Reference Network (Ski Passes), Commtech/ CT Civil (Mouse Pad / Training), Frontier Precision (Steel Tape), Underground Consulting Solutions (Free Locates, Hats and Shirts) and Vectors Inc. (Prism Pole).

And lastly, without the help of John Doty, PLS CCPS Director / Vendor Manager, none of the Vendors would have been at the conference.

Kudos to Underground Consulting Solutions who sponsored the afternoon snacks!
